Fellow Amateur Radio Operators and all interested parties

This is short letter to let you know that there has been an amateur radio club started here in Daviness County and we wish to invite you to come and join in with us. Right now there are just two of us, but we hope to continue to grow and with your help we're sure we can make this happen.

We would like to invite you to come join us at our monthly meeting so we can meet each other and hopefully take our next step forward.

Our first meeting is being held on **Wednesday May 12th at 7 pm** at the Daviness County Security Center at 101 NE 4th St. Washington, In. (Turn west off of HWY 57 onto Walnut street, go 1 block, and it will be on your left) Come through the doors and up the stairs to the Abe Knepp Training Room. We will also be starting a weekly net on Wednesday May 5th at 9pm EST on the Washington Repeater 147.315+ no tone.

So if you are interested or know someone who may be interested please come join us. You can contact us by using any of the following information. Again, thank you for you interest in amateur radio.

Daviness County Amateur Radio Club
P.O. Box 601
Washington, In 47501
